

Dear Sir or Madam:

With this letter, I would like to express my interest to become member of Steering Committee of EHRA.

I am currently working as Office Manager in NGO "Labyrinth" Office in Prizren, Kosovo. NGO "Labyrinth" is implementing the Harm Reduction Project of Global Fund to Fight AIDS, Tuberculosis and Malaria.

I have decided to apply for this Committee because I am sure it would strongly enrich my future work and help me in my career. Moreover, I consider this Committee as a great opportunity to get in touch with other organizations working in same or similar programs. Last but not least, I am very curious about new approaches to the Harm Reduction.

Thank you for considering my request. I look forward to your positive response.

Yours faithfully,
Eroll Shporta
