Motivation letter

I, Kazieva Indira Askarbekovna, a doctor and a lawyer, director of the Public Foundation "Kyrgyz Coalition for Tuberculosis Control" Coalition Against Tuberculosis ". We work with people affected by tuberculosis and co-morbidities. I worked for 8 years as a tuberculosis doctor, with MDR TB patients, among whom I led patients with drug addiction, methadone-dependent, former IDUs, with HIV / TB, etc. I took distant training courses for health workers, HIV / AIDS patients and work in harm reduction with dependencies. I also defend civil rights as a lawyer. Since 2002 I have been working on advocacy and promotion of interests at all levels.

I believe that my knowledge and experience can be useful in the committee

Yours faithfully,

Director of PF "Kyrgyz Coalition"

for tuberculosis control
