deCRIMINALISATION of Drugs in Germany

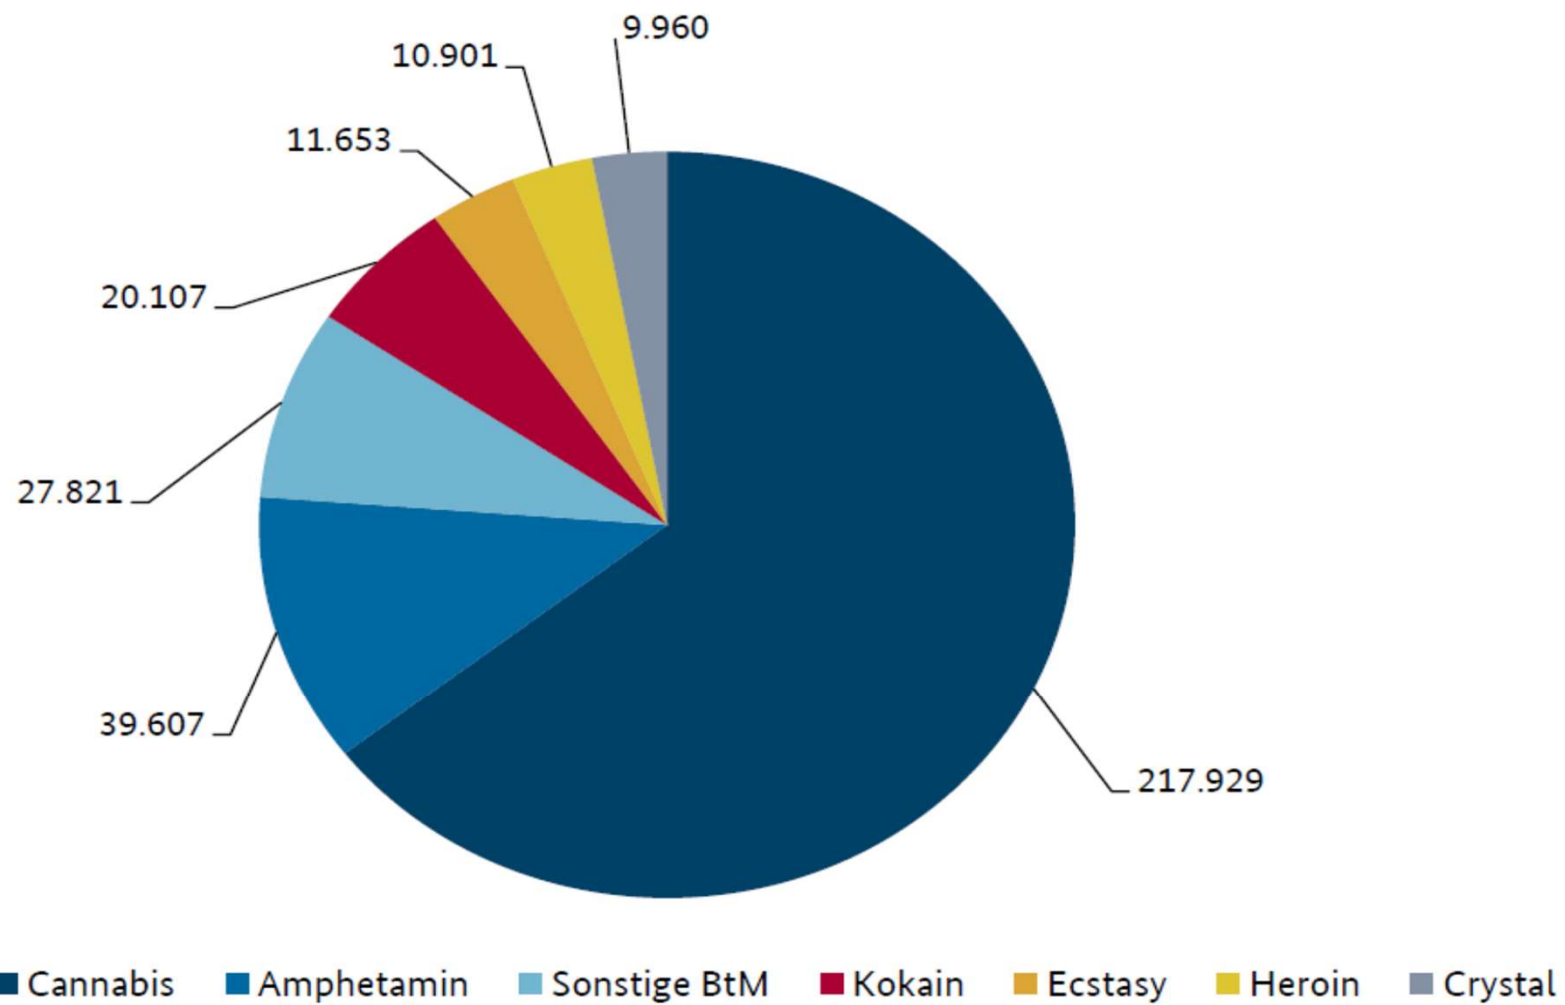

*Sasha Gurinova
International Department*

Drug-related crime 2019

- 359.747 Drug-related offences (+2,6%)
- 1,398 drug-related deaths (+9,6%)
- 53,375 drug trafficking offences (+0%)

“The principle of legality“ in Germany

- Check.
- Criminal complaint
- Police forward the complaint to the state prosecutor's office
- Prosecutor decides whether or not to investigate (40% further process in court, In 60% no proceedings)

4% of the 40% will be imprisoned, others have to pay fine or do a some social work.

One third of all prisoners in Germany are “drug offenders”.
